

WARREN DISTRICT AGRICULTURAL SHOW

2020

SATURDAY 14TH MARCH

REA PARK, COLLIER STREET, MANJIMUP

www.warrenagsociety.com.au

The 2020 Warren District Agricultural Show would not be possible without the generous support of our Sponsors

President's Message - Aimee Bendotti

On Behalf of the 2020 Warren Districts Agricultural Society committee I would like to welcome everyone to our Annual Show. We have a terrific committee who have been working very hard the past 12 months to ensure that this years show will be as successful as previous ones and I'd like to thank them very much for their efforts.

This year's show is all about potatoes. Potatoes have been a vital and long established primary industry for our Southern Forest areas of Pemberton & Manjimup for over 90 years. From growing just a few hectares of potatoes that needed to be harvested by hand, to today being harvested by machines with an array of markets, including internationally. Renowned for its ideal growing conditions, the Southern Forest area is now the largest potato growing region in Western Australia. You can see potatoes growing for most months throughout the year by our local families, some of which are 2nd and 3rd generation growers. WA is the only state in Australia to get its potatoes freshly delivered 365 days of the year, so why not thank our growers and the humble potato for the big part they play in our great area and around the state by recognising and celebrating the Potato Industry at our 2020 show.

In collaboration with WA Potatoes, we are planning some exciting potato related competitions at the 2020 show as well as some potato related themes throughout this show schedule for everyone to enter.

We try very hard to offer something that will appeal to every person within the community, especially relating to the Agricultural Theme. Shows were traditionally a chance to meet up once a year with your mates, to have a chat or a friendly competition to see who had the best stock or produce for that season. We have all the favourites , the poultry pavilion, cattle judging, showjumping, show horses, equestrian breed, WA Alpacas, Pet Show, Farm & Garden Zone and of course plenty of exhibits and competitions in the Exhibition hall, so make sure you head all around the grounds to check out all the competitions and displays that people have entered.

Lastly we would like to send our thanks and gratitude to all our wonderful sponsors who give each and every year so that the Show can go on. To all the exhibitors we also extend our appreciation and encourage everyone to have a go at entering something.

Thank you very much for coming and we hope that you have a Spudtacular time at our 2020 show.

The Southern Forests Food Bowl

Did you know that a large majority of what you find on your plate comes from the Southern Forests region? Famous for all sorts of food production: beef, lamb, poultry, fruit, vegetables, seafood, nuts, cheese, honey and wine are just some of the foods that hail from here.

Only 300 kms from Perth, our pristine corner of WA has niche, premium products which are exported to almost every corner of the globe.

Events Which Celebrate Every Season

Spring

Blooming Wild Festival - native wildflowers of every hue and design contrasting spectacularly with all shade of green in the 5,900 square kilometres of National Park and State Forest reigning in the area.

Summer

Cherry Harmony Festival - Rich, plump, ruby, baubles of sweetness are savoured at this time of year. Shake off cabin fever and spend every moment outdoors hiking and exploring new trails and waterways or relaxing at picnics and barbecues that celebrate the local produce.

Autumn

Unearthed Festival - A time for reflection and revelling in the reds and golds of the post-harvest vineyard. Varieties of crisp, sweet, apples are in abundance, picked fresh from the tree. Unearthed features activities focused on local food and wine.

Winter

Truffle Kerfuffle - A time for hearty soups crafted from a diverse selection of locally grown vegetables enjoyed by open fires to warm you both inside and out. The TK celebrates the prized, rich, dark nugget that enhances the flavour of every dish with its earthy, robust aroma.
