WARREN DISTRICT AGRICULTURAL SHOW – SATURDAY 14TH MARCH 2020

The theme for this show is “**Potatoes**”.

Potatoes have been a vital and long established primary industry for our Southern Forest areas of Pemberton & Manjimup for over 90 years. From growing just a few hectares of potatoes that needed to be harvested by hand, to today being harvested by machines with an array of markets, including internationally. Renowned for its ideal growing conditions, the Southern Forest area is now the largest potato growing region in Western Australia. You can see potatoes growing for most months throughout the year by our local families, some of which are 2nd and 3rd generation growers. WA is the only state in Australia to get its potatoes freshly delivered 365 days of the year, so why not thank our growers and the humble potato for the big part they play in our great area and around the state by recognising and celebrating the Potato Industry at our 2020 show.

In collaboration with WA Potatoes, we are planning some exciting potato related competitions at the 2020 show as well as some potato related themes throughout the show schedule for everyone to enter.

Our show schedule will be available in early February. It will contain the details of:

- Our Sponsors
- Prize Allocations
- Entry Forms
- Entertainment
- Admission Prices
- Memberships
- Trade Displays

Entry forms will also be available online, so be sure to check out our website
www.warrenagsociety.com.au

This Exhibition Catalogue has been compiled to assist you to plan what classes you will enter in support of our show and all information is correct at the time of printing.

Please contact the Chief Steward of the relevant section if you have any questions.
